- General Conditions of CERN Contracts (CERN/FC/5312-II);
- Your offer dated 08.12.2014 completed per email dated 17.12.2014.

PAYMENT CONDITIONS:

The total amount of the contract will be paid 30 days net after the receipt of a correct invoice and the total completion of the services, the receipt and acceptance by CERN of the reports and documentation referred to in the technical specification.

WORKING ON THE CERN SITE:

<http://procurement.web.cern.ch/documents/key-reference>

This document aims at providing to contractors who are asked to intervene on the CERN site, a global view of the applicable provisions in matters of access to the CERN site and works, worksite deployment, of technical resources that can be provided to contractors, and to requirements in matters of occupational Safety, radiation protection, and protection of the environment.

The installations concerned are those related to the accelerators and experiments at CERN, as well as workshops, laboratories and tertiary buildings.

For any questions related to VAT payable by non-French firms working on the French part of CERN's site, please contact:
